# Tobacco a threat to development

**Vinod Chandrashekar Dixit**  
Free-lance Journalist, Writer & Cartoonist  
(dixitpatrakar@yahoo.in)

We are aware that tobacco is a tough addiction to withdraw from. 31st May is the day which reminds us how important our life is. Tobacco is one of the leading causes of death, illness, and impoverishment. World No Tobacco Day is celebrated to make aware people about the effects of chewing tobacco and Nicotine that causes cancer and many severe diseases. Tobacco is the biggest enemy of public health today. The effects of tobacco use, as we all know, are destructive and widespread. Irrespective of cultures and countries, backgrounds and ethnicities, tobacco is chewed in different forms and ways. Chewing tobacco reduces the lunges to a sponge that soaks in at least 30 known carcinogens, or cancer causing chemicals. Our country has the largest film

producing industry in the world with 900 films per year and 250 ,million viewers including those watching television and cable shows. Film stars are very popular in India. They are involved in many public issues and they get countless media coverage. Despite the warnings given by doctors about the ill-effects of smoking, people continue to smoke. Smokers are addicted to it, and even if they want to, they cannot refrain from picking up a cigar or cigarette and puffing away. Some youngsters smoke for the sake of society and some feel that would make them appear liberated and broadminded.

Tobacco companies are doing very well all over the world. Every packet of cigars or cigarettes has a warning inscribed in it: cigarette smoking is injurious to health." Yet the smoker never reads this warning and even if he reads it he never pays heed to it. The list of tobacco related diseases is long and includes heart and blood vessel diseases, bronchitis, asthma, impotence, birth defects and growth retardation in babies, etc. Tobacco smoking is a major risk factor in developing cardiovascular disease, stroke, cancer and chronic obstructive lung diseases. It also increases a person's risk of developing tuberculosis.

Tobacco kills almost six million people each year and more than 600 000 are non-smokers breathing second-hand smoke. Tobacco smoke contains approximately 4,000 chemicals in cigarettes, 100s of which are toxic like formaldehyde, ammonia and cadmium.

Tobacco causes cancer and most of us are aware that smoking causes lung cancer and chewing tobacco causes oral cancer. Cigarette smoking is a gift of modern times and has become fashionable nowadays. Many psychologists have done detailed statistical studies, to investigate why people smoke? Their findings are indeed shocking. The reasons given by smokers indicate that it is habit forming, increases concentration, and helps in killing time and to be in fashion. We need to spread the message about the dangers of tobacco use, need to continue throughout the year. Smoking in public places is also an infringement on the fundamental right of our fellow citizens, for it violates their right to live. Our protagonist may argue that banning smoking would violate the fundamental right of the individual. This is untrue, as no one has the right to endanger his own life, what to talk of others around him. If a person wants to smoke, that

is his own personal choice. However, the health effects that come with it affect nonsmokers, from the secondhand smoke to litter, and cause just as much damage to the people around them, something that cannot be ignored. an tobacco advertising Ban on tobacco advertising is as important as other tobacco control measures including increasing taxes, setting up smoking cessation clinics, banning

public smoking or putting up health warnings. Either way, smoking or chewing tobacco is not something that is welcome or a safe addiction. It is a serious hazard to good health. WHO everywhere mark the importance the health risks connected with tobacco use and advocating for effective policies to reduce tobacco use. # 2 including a woman caught before drugs could be delivered

Ahmedabad, Vatwa dealer caught before Shahrukh's man arrived. 525 grams of MD drug sent by MP dealer. 2 including

a woman caught before Vatwa dealer received it.

The Crime Branch arrested two people, including a woman, who had come to Ahmedabad to deliver 525 grams of MD drugs from Madhya Pradesh for five thousand rupees. Both were running fruit rickshaws on the sidelines and were doing this work because they needed money.

They had taken drugs from a dealer in Madhya Pradesh and had come to give them to a dealer in Vatwa. Police have seized drugs worth Rs. 52.50 lakh and have started efforts to catch the dealers who sent and ordered MD drugs.

Crime Branch PI S. J. Jadeja received information that two peddlers, including a woman, were coming to Ahmedabad from Madhya Pradesh with a large consignment of MD drugs.

Therefore, he set up a watch with his staff near the express highway and arrested two of them, including a woman. The police found 525 grams of drugs in the bag.

The women caught with the drugs were identified as Anandi Kailash Damar (41) (Ratlam) and Ajay Mangilal Jagannath Prajapati (41) (Ratlam, Madhya Pradesh). Shahrukh, a trader, had ordered the drugs from Kalu

of Mandsaur.

He paid Ajay and Anandi Rs. 5,000 each for a ferry and transportation expenses. Shahrukh's man was supposed to come in a rickshaw to take the delivery. However, the police had caught both of them before that.

Both men had come from Vadodara in a private vehicle.

The police, while questioning Anandi and Ajay, found out that a drug dealer named Kalu from Mandsaur had sent these drugs. Both of them had come from Mandsaur to Vadodara by train and from Vadodara they had come to Ahmedabad Express

Highway in a private vehicle.

Shahrukh was selling drugs to customers in retail.

Shahrukh, who lives in Vatwa, had ordered a consignment of 525 grams of MD drugs.

However, after Anandi and Ajay, who brought drugs from Madhya Pradesh, were caught, Shahrukh went underground. Due to this, the Crime Branch team deployed different teams to catch Shahrukh. Anandi had visited Ahmedabad 3 times before.

Anandi confessed to the police that she had come to Ahmedabad three times to deliver drugs at the behest of Kalu.
